EVENT DETAILS

Photography inspires people to take more concerns upon the correlations of nature and our lives under the Covid-19 pandemic. The virtual photography presentation of the Chinese Canadian Photographic Society of Toronto (CCPST) will present photos with various subjects which show the beauty of lives and our living surroundings. Despite of the depression that many people suffered during the pandemic, we hope the photos can create hope and energy to re-ignite our daily lives.

SUNDAY MAY 15, 2022 | 2 PM EDT BY ZOOM
